1 INTRODUCTION

Formed in 2005, LWG is a multi-stakeholder organisation for the leather industry, focused on promoting environmental best practice.

We are a collaborative, membership-led non-profit organization with over 1000 members, including:

- Leather manufacturers
- Traders
- Brands
- Retailers
- Suppliers
- Associations
- Technical experts

The keystone of our work is the LWG Environmental Audit, which assesses the environmental performance and compliance of leather manufacturing facilities.

2 OUR AIMS

- To **improve** the environmental impact of leather manufacturing
- To promote **sustainable**, responsible business practices.
- To create **industry alignment** on environmental topics.

It is the group's objective to work transparently, involving Leather Manufacturers, Brands, Retailers with input from leading centres of excellence within the leather industry including NGO bodies, academic institutions, and other stakeholder organisations.

3 BENEFITS OF SUBSCRIPTION MEMBERSHIP

3.1 Make Credible Environmental Claims

The LWG Marketing Claims Framework formalises our claims process, providing a robust criteria that is clear for members to understand and provides a framework for further improvement.

Brand & Retailer members will receive guidance on how to make accurate and appropriate claims about their membership of the group and at a product level.

Brands wishing to make claims at a product level must submit a sourcing declaration, stating the annual % of leather sourced from LWG-certified suppliers. Retailers wishing to make claims at a product level must submit a list of their brands for verification.

Brands are expected to source 25% of their leather from LWG-certified manufacturers within 3 years, to increase up to 50% within 6 years.

In addition, LWG team is always on hand to provide feedback, give advice and make suggestions for how to improve your consumer-facing communications.

3.2 Track Your Suppliers

After becoming a member of LWG, you will be given access to the private [Member Area](#) of the LWG website. The Member Area includes a tracking function, which will allow you to add certified suppliers to a dashboard and monitor their certification status, audit result, expiry date, etc. You will also be able to export this information via a CSV file download.

My Leather Manufacturers						
Please select your Leather Manufacturer:	Expiry Date:	Rating:	Protocol Issue Number:	Traceability Rating:	Audit Scope:	Remove:

Webinar: Environmental Management Systems

Webinar: Understanding Chrome VI: Formation, Prevention & Legislation (26th & 27th August 2020)

Webinar: Risk Assessment & Emergency Planning (29th & 30th July 2020)

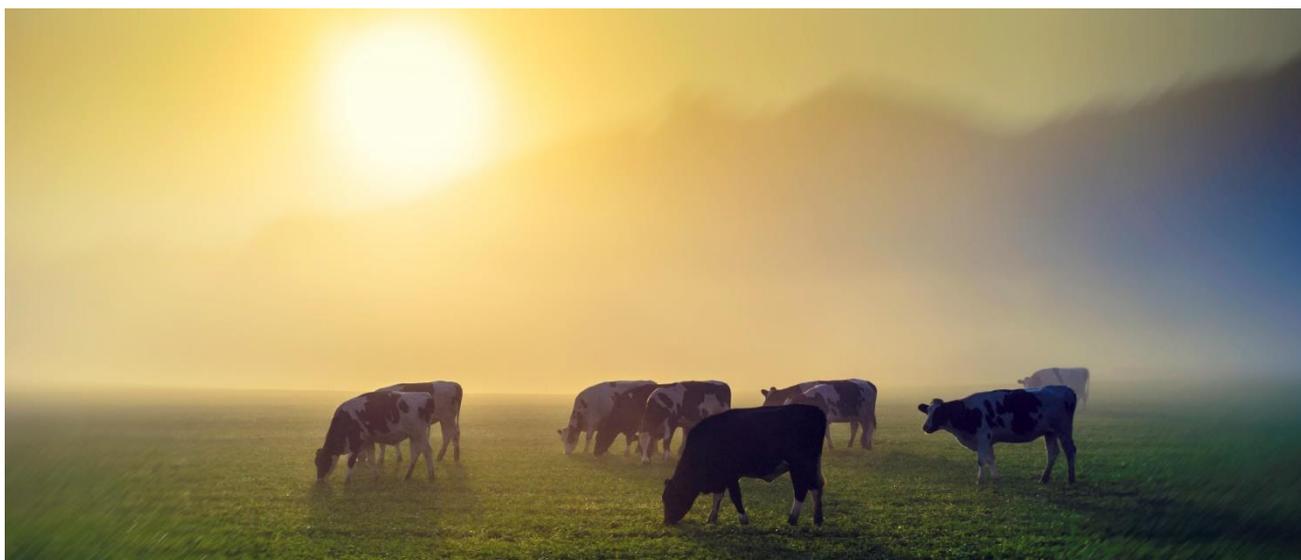

Webinar: Audit Documentation and Administration (24th & 25th June 2020)

3.4 Attend Meetings and Virtual Events

We encourage our members to become are fully engaged in our environmental program by attending LWG online meetings and webinars and completing the annual member's survey. This helps steer the direction of our group and keep members informed of changes to the audit protocols and future developments.

- Two full Member Meetings per year.
- Regional meetings around the world.
- Multiple informational webinars
- Newsletters, guidance notes, membership surveys, website updates and social media.

3.5 A Voice

As a member, you can **influence the future direction** of the environmental audit protocols.

You will be eligible for election to join our Executive Committee or one of our subgroups, including:

- Technical Sub-Group (TSG)
- Traceability Working Group (TRWG)
- Tannery of the Future Sub-Group (TOTF)
- Trader Working Group (TWG)
- Supplier Sub-Group (SSG)

Elected by LWG members our Executive Committee (E.C) is currently made up of four Brands, four Leather Manufacturers and one Supplier. The group's purpose is to lead the overall direction of the work that the LWG does.

Decisions on the structure and any key elements of the protocol will be passed by a proportional vote. Voting powers will be: one vote per company, the majority passes the motion.

The Leather Working Group Limited is governed under the Memorandum of Association and Articles of Association, Issue 4, dated 17 March 2018 (amended pursuant to a special resolution passed at a general meeting of the Company held on 17 March 2018).

4 ADMINISTRATIVE DETAILS

Contracted Facilitator role

Eurofins BLC Leather Technology Centre Ltd (BLC) is the contracted facilitator for the Leather Working Group Ltd and will provide management services and techno-environmental input for the duration of the project. BLC project management will consist of communication with forum members, arrangement of meetings, collection of information, refinement of the protocol, presentation of results, publicity, auditing (where contracted) and preparation of audit reports and scoring mechanisms. BLC is not a member of the Executive Committee and does not vote.

The support offered via the contracted facilitator is related only to the LWG programme, the audit protocol, its development and use as an environmental stewardship audit.

Timescale

The membership year runs from 1 April to the next 31 March.

Charges – Brands, Retailers, Suppliers & Agent Traders

There is a “fee of entry” to the Leather Working Group Ltd which is based on annual gross turnover. This fee will provide access to the Leather Working Group Ltd for the duration of 12 months.

The fee will cover the management and administration of the project, the website, benchmarking, co-ordination of meetings, the development of the process, reporting, plus any refinements, field trials and dissemination costs. This is based on annual gross turnover as documented on the application form.

Payment will be 100% of joining fee upon application. VAT will be applied where appropriate.

Audited Members

Leather Manufacturers, Leather Traders, Commissioning Manufacturers and Subcontractors can join the Leather Working Group through completion of the appropriate audit.

For more information on our Audits please email info@leatherworkinggroup.com

Confidentiality

The results of all Leather Manufacturer audits will remain the confidential property of the auditee and will not be shared with the Leather Working Group membership unless permission is given to do so.

All members also have the possibility request for their membership to be confidential. In doing so your company logo (and or name) will not appear on our members page nor in any communications external to the group. Please inform us of your wish to remain confidential, and also check the box in the application form below to opt-in to become a confidential member of LWG.

The Leather Working Group will not share, to other members or externally, the data or communication from its members, without the express permission of the owner

Legal Requirements

Members of the LWG must be mindful of antitrust laws and regulations, recognising that they exist to protect free and open competition.

No members, in any forum, should discuss any of the following topics.

- Rules of LWG membership
- Refusals to deal with any competitor, supplier or customer
- Endorsements of individual companies, products, or services
- Allocation of markets, territories, or customers between or among the companies
- An individual company's plans, costs, budgets or timelines for R&D or production
- Current or future prices charged by a company, nor costs of products and services
- Price-related data or practices of individual companies (e.g., discounts, profitability, etc.)
- Trade agreements between members

Please complete and sign this form send the completed form to info@leatherworkinggroup.com This will indicate that the terms and conditions applying to the contract specified below are accepted. Please refer to our [Articles of Association](#) for more information.
